Hurricane Harvey Relief Efforts

This church has once again been instrumental in leading the way in relief efforts for a natural disaster. Through the efforts of our community, our church family, and area churches we have taken a 24-foot trailer full of items to TX. We are helping through the church of Christ that Rudy's Brother Rigo works with in Houston. Over \$6,100 in monetary donations has been given as well.

Joel Crider and Chris Wooley took a trailer down on Friday. This next week Josh will be leading a small group to Houston to carry more supplies and work in relief efforts till Friday. All of this is in conjunction with the Bread of Life ministry. Thank you and remember these efforts in your prayers.
