Vol. 64 No. 11

From the desk of *Jakob Coleman*,

1 Corinthians 5:17- "17 Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come."

This verse is such a comforting verse because it reminds us that we are made into something new through Christ. No matter where we have been and what we are done, we are washed cleaned by Jesus. Because of Jesus, we now have Jesus' peace in our heart where no one can snatch it or take it away. We have the Holy Spirit abiding in us. The old is now gone. Because of Jesus, we can look into a mirror and ask, "who is that?"

And this idea should be reflected in every aspect of our lives. We should think differently than before we were Christians. We should act differently than before we were Christians. We should treat people differently than before we were Christians. We should let Jesus continue to change our lives. It doesn't matter if we are a "newborn" Christian or have been a Christian for the majority of our lives, we should constantly let Jesus define us. We should be a living example of 1 Corinthians 5:17- We should live as a new creation.
