From the desk of *Jakob Coleman*,

The Psalmist in Psalm 1:2-3, writes, "but his delight is in the law of the Lord, and on his law he meditates day and night. He is like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers." The image that pops in my head is one of springtime. I think of a tree that once was dying but is now in a situation that brings life into it. The stream provides water, the sun provides the proper light, the weather is perfect- all of this causes the tree to flourish. We are like this type of tree and what brings us life is the Word of God. Because of the Word of God, we can flourish! I encourage us all to spend time with God's Word this week!!

Starting this week, I will be going through the book of Psalms when I write the bulletin articles. There are certainly ideas, imagery, and principles we can apply to everyday life from the Psalms. I hope everyone has a good week!! Praise God in everything that you do!!!
