Church of Christ

Mayfield, KY

Vol. 64 No. 14

April 7, 2024

Imagine you are in a huge crowd at Niagara Falls. In this crowd, there's this man who gets everyone's attention and asks who believes he can unicycle across the falls on a tightrope. You and the rest of the crowd yell "yes!" because you think it would be entertaining to watch. The man yells again, "who believes I can do it with a man on my shoulders?" Everyone cheers "yes!" again because you all think it'll be a sight to see. The man yells a third time, "who wants to be the one on my shoulders?" You and the rest of the crowd are silent because you aren't willing to risk your life. The crowd said they believed but in reality they didn't. They just wanted to see something cool, to be entertained.

The same goes for Christianity, just because you say you believe doesn't mean you do. In Matthew 7:21 Jesus says "Not everyone who says Lord, Lord will enter the kingdom of heaven" What Jesus is saying here is that just because you say something doesn't make it true. You could say you are a Christian and could go to church but what matters is your mindset behind those actions. Sometimes we start to go "through the motions" with church. It can become easy to make it a checklist but there is no thought or emotion behind those actions. This week I encourage us to have a faith that doesn't just go through the motions but instead have a faith that sticks to God.
